VOLUNTEER AND/OR INDEPENDENT CONTRACT SERVICE DISCLOSURE

AUTHORIZATION AND RELEASE FORM

I understand that in connection with my application for volunteer services and/or independent contract services, the Town of Harpswell and/or Harpswell Recreation or authorized staff will be conducting a criminal background check on me. This background check may include an inquiry into my general character or reputation, volunteer experience and criminal history.

I understand that the Town of Harpswell and/or Harpswell Recreation may rely on any part or all of this information in determining whether to extend an offer of volunteer and/or independent contract service duties to me.

I understand that the background check is being performed as part of the process to evaluate me prior to volunteer and/or independent contract service assignments, and is not conducted for any purpose other than in connection with my application for volunteer status and/or my eligibility for independent contract service.

I understand that none of the information reported by InforMe will be used for any other reason than to evaluate my criminal history to decide whether I am eligible to volunteer and/or be an independent contractor for the Town of Harpswell and/or Harpswell Recreation.

I have read this release and understand that by signing below, *stating my date of birth and any alternate names in the application, I authorize the Town of Harpswell and/or Harpswell Recreation or employee to conduct a criminal background history check on me, as reported by InforME. I also understand that any information obtained will remain confidential.

Why We Have This Policy

To protect the Town of Harpswell, Harpswell Recreation and the children and families living in the community. The town needs to ensure that individuals working with minors have no history of criminal behavior relevant to their volunteer position or independent contract services. Although this is no guarantee against criminal acts, it does reduce the likelihood of crime, and may reduce the Town's liability in the event a crime occurs. It also helps protect the town from the possibility of lawsuits.

The town recognizes that its need to investigate volunteer and independent contractor's criminal history must be balanced with the need to protect their privacy. Town policy and state and federal laws recognize the individual's right to privacy and prohibit Town employees and others from seeking, using, or disclosing personal information except within the scope of their assigned duties.
